

GraphAnchor: RAG Evaluation Report (100 Queries)

This document contains a side-by-side comparison of 100 different queries executed against both the Standard Vector RAG and the Hybrid Graph RAG models. It mimics the 'Compare Models' feature of the frontend.

Query 1: What is the connection between Aris Thorne and Project Chimera?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 2: How does the Phantom Protocol relate to Aetherium?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 3: What is the purpose of Facility 42?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 4: Who leads Lumina Corporation and what is their secret project?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 5: What links Echo Vanguard to the events in Facility 42?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 6: What is the true nature of Aetherium?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 7: Describe the timeline of the Phantom Protocol.

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 8: Is there any evidence that Lumina Corporation is aware of Aetherium?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 9: How is Aris Thorne connected to Echo Vanguard?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 10: What are the security measures at Facility 42?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 11: What are the main details discussed in document 11 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 12: What are the main details discussed in document 12 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 13: What are the main details discussed in document 13 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 14: What are the main details discussed in document 14 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 15: What are the main details discussed in document 15 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 16: What are the main details discussed in document 16 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 17: What are the main details discussed in document 17 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 18: What are the main details discussed in document 18 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 19: What are the main details discussed in document 19 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 20: What are the main details discussed in document 20 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 21: What are the main details discussed in document 21 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 22: What are the main details discussed in document 22 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 23: What are the main details discussed in document 23 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 24: What are the main details discussed in document 24 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 25: What are the main details discussed in document 25 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 26: What are the main details discussed in document 26 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 27: What are the main details discussed in document 27 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 28: What are the main details discussed in document 28 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 29: What are the main details discussed in document 29 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 30: What are the main details discussed in document 30 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 31: What are the main details discussed in document 31 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 32: What are the main details discussed in document 32 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 33: What are the main details discussed in document 33 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 34: What are the main details discussed in document 34 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 35: What are the main details discussed in document 35 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 36: What are the main details discussed in document 36 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 37: What are the main details discussed in document 37 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 38: What are the main details discussed in document 38 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 39: What are the main details discussed in document 39 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 40: What are the main details discussed in document 40 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 41: What are the main details discussed in document 41 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 42: What are the main details discussed in document 42 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 43: What are the main details discussed in document 43 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 44: What are the main details discussed in document 44 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 45: What are the main details discussed in document 45 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 46: What are the main details discussed in document 46 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 47: What are the main details discussed in document 47 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 48: What are the main details discussed in document 48 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 49: What are the main details discussed in document 49 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 50: What are the main details discussed in document 50 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 51: What are the main details discussed in document 51 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 52: What are the main details discussed in document 52 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 53: What are the main details discussed in document 53 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 54: What are the main details discussed in document 54 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 55: What are the main details discussed in document 55 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 56: What are the main details discussed in document 56 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 57: What are the main details discussed in document 57 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 58: What are the main details discussed in document 58 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 59: What are the main details discussed in document 59 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 60: What are the main details discussed in document 60 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 61: What are the main details discussed in document 61 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 62: What are the main details discussed in document 62 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 63: What are the main details discussed in document 63 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 64: What are the main details discussed in document 64 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 65: What are the main details discussed in document 65 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 66: What are the main details discussed in document 66 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 67: What are the main details discussed in document 67 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 68: What are the main details discussed in document 68 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 69: What are the main details discussed in document 69 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 70: What are the main details discussed in document 70 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 71: What are the main details discussed in document 71 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 72: What are the main details discussed in document 72 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 73: What are the main details discussed in document 73 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 74: What are the main details discussed in document 74 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 75: What are the main details discussed in document 75 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 76: What are the main details discussed in document 76 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 77: What are the main details discussed in document 77 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 78: What are the main details discussed in document 78 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 79: What are the main details discussed in document 79 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 80: What are the main details discussed in document 80 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 81: What are the main details discussed in document 81 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 82: What are the main details discussed in document 82 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 83: What are the main details discussed in document 83 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 84: What are the main details discussed in document 84 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 85: What are the main details discussed in document 85 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 86: What are the main details discussed in document 86 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 87: What are the main details discussed in document 87 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 88: What are the main details discussed in document 88 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 89: What are the main details discussed in document 89 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 90: What are the main details discussed in document 90 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 91: What are the main details discussed in document 91 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 92: What are the main details discussed in document 92 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 93: What are the main details discussed in document 93 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 94: What are the main details discussed in document 94 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Query 95: What are the main details discussed in document 95 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 96: What are the main details discussed in document 96 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 97: What are the main details discussed in document 97 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 98: What are the main details discussed in document 98 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 99: What are the main details discussed in document 99 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

GraphAnchor: RAG Evaluation Report (100 Queries)

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.

Query 100: What are the main details discussed in document 100 regarding its specific topic?

Standard Vector RAG:

I could not find any relevant information in the knowledge base to answer your question.

Hybrid Graph RAG:

I could not find any relevant information in the knowledge base to answer your question.
